Sample Details : CTN-240820024 (TS/NPS/NS)

S/NPS/NS FOR TRUENAT BETA COV

Result

Result: Negative

Remarks: A Negative for SARS-Corona Virus-2 result indicates the absence of the RNA of this virus in the patient sample submitted.

Sample Remarks : Note:-

1. Negative results do not exclude 2019-nCoV infection and should not be used as the sole basis for treatment or other patient management decision. Low viral load, presence of inhibitors in the sample and mutations in 2019-nCoV can lead to a false negative result.
 2. Test has been performed on ICMR approved kit (Expert SARS COV-2).
- * Kindly ensure that these results are not to be used for any thesis/Presentation/Publication in journal without the prior permission of Director General ICMR and Tuberculosis Laboratory (Room No.8005) Dept. of Microbiology, AIIMS, New Delhi.
